BROADBAND

1. No change to June 2019 date for fibre activation in Avonbridge.

2. EC sent a chaser email last week to Angus MacDonald to see if he has received a reply from Paul Wheelhouse MSP SNP, the minister now responsible for delivering Fibre Broadband in Scotland. No reply from Angus up to Wednesday this week.

3. It has come to EC's attention that we also have 6 Regional MSPs for the Central Region. Jo & EC suggest we contact them all. It could be that they may be of help in monitoring the progress of the future R100 rollout (fibre coverage for the 5% in rural locations left out in the present project) when it finally gets going.

EC & JH will work together and continue to lobby for full coverage across this area in advance of R100 exposing the rural/ rural divide.

9. Taylor Wimpey Development

A local petition is being circulated via email and on change.org in objection to the proposed development at Middlerig Farm. ASCC agreed to lodge an objection in support of SCCC & Reddingmuirhead CC.

10. Persimmons Hillcrest Development

Falkirk Council have received CCs submission for reconsideration. An Equal rights amendment (ERA) has been put forward to Scottish government and is planned to be read in the chamber in May. A fantastic £470 was raised from the prize bingo held on 4th April. The hall committee would like to offer their thanks to ASCC for recent micro grants. Zoolab and Roller Disco for the kids were a great success. The income

raised helped to pay off rent arrears due to FC. DC has sent a returns report to Foundation Scotland and a repairs list is being compiled. EDF are coming investigate the meter following high estimated electricity costs. Roller skate providers have now started offering 1-1 sessions in the hall. It is hoped that a Pilates class will be available as of July 2019.

14. Lunch Club & Church grants

A query has been received regarding local churches and the OAP lunch club being able to access EDF funds. ASCC advised that Foundation Scotland have clear set guidelines for larger grants which are mandatory but any community group or project that benefits all/any members of the community and is not for the purpose of fabric or property maintenance are eligible to apply for a micro grant to a maximum of 4 per year.
